In the year 1612, the translation of the Gospel of Matthew in the Malay Language was completed. Its subsequent publication was a very historic and significant event as it was the earliest Bible in a non-European language ever published. In celebration of the 400th anniversary of the Alkitab, we invite you to join us in a specially organised 2-day conference discussing the issues, difficulties, and complications involved in the translation and distribution of the Alkitab.

Presentations will be offered by an outstanding group of speakers and scholars:

Dr Daud Soesilo
United Bible Societies

Rev Dr Simon Wong
Bible Society of Malaysia

Mr Lee Min Choon
Bible Society of Malaysia

Dr Ng Kam Weng
