

Rev Dr Paul Barker

Rev Dr Paul holds a PhD from the University of Bristol/Cheltenham and Gloucester College of Higher Education, 1995. A visiting scholar to the seminary, he was a former Vicar of Holy Trinity, Doncaster and has taught at Ridley College, Melbourne, Australia. He teaches the Old Testament and Preaching and is also a facilitator in training preachers in conjunction

with Langham Partners International. He has written two books on Deuteronomy.

Course Description & Objectives:

Expository Preaching is an elective course offered by STM under the Theological Education by Extension (TEE) program which is a part-time modular study program. For more info, check our website under Academic on the Menu page.

This course aims to cover the following areas:

- a description of expository preaching and issues of theology and hermeneutics in relation to preaching
- the process of preparing an expository sermon
- the discussion on the different biblical genres and their relationship to expository preaching
- discussions on illustrations, style, rhetoric, passion in preaching
- how to prepare sermons, a preaching programme and prepare a congregation for expository preaching.
