COURSE DESCRIPTION

What are the psalms? It is a question often asked by God’s people. Are they prayers? Are they songs? Are they praises? Well, the psalms are all these! They are centuries-old prayers, songs, poems, and praises of the Hebrew people. They emerged from a people who were in love with life and with the God they worshipped. They wanted to know how to praise God or lament to him in every part of their lives. What other better way than to use the psalms. The psalms allowed the ancient Hebrew people to sing, pray, and praise God in the way they understand. With each successive generation, the psalms are passed on but not passed over - such is the book called the Psalms.
