Dr. Tan Soo Inn is a director of Graceworks (www.graceworks.com.sg), a training and publishing consultancy committed to promoting spiritual friendship in church and society. He runs this ministry in partnership with his wife, Bernice. Bernice and Soo Inn have four sons. A Malaysian, he hails from Penang. His primary passions include connecting the Word of God to the struggles of daily life, and the promotion of the discipline of spiritual friendship.

We live in an increasingly lonely world. This is true even in the church. Yet Jesus has called us His friends and wants His disciples to follow Him in community (John 15: 9 – 17). How can we do this?

This seminar will focus on two key aspects of spiritual friendship.

First we will look at the biblical teaching on spiritual friendship --- what is it? Why is it so important?

Next we will look at how we can actually do it --- what are some practical ways we can follow Jesus in the company of friends.

We are living in difficult times in Malaysia. God has called us to be faithful witnesses so that we can shine in the darkness. We can only do this in community.
