Looking Ahead, Moving Forward
Principal’s Message

The Council and Faculty had a planning retreat in May 2003 to formulate the vision and future development of STM for the next 15 years. We focused our attention on transforming STM to a world-class premier theological seminary, in line with the Malaysian Government’s aspiration of making Malaysia an educational hub for the region. May I just share with you some of our dreams for the Lord as we prepare to celebrate the 25th Anniversary of STM in January 2004.

- To recruit more able pastor-scholars as faculty members: we aim to have 20 full-time members by the year 2010 and 26 by 2020.
- To recruit more well-qualified candidates, both local and abroad, to study full-time in STM.
- To refine further our academic pastoral training programme in achieving academic excellence and transforming life for active ministry.
- To strengthen further our research degree Master of Theology programme in the next five years.
- To offer the ATESEA Doctor of Theology programme by the year 2010.
- To expand our library resources of scholarly works to 50,000 titles by the year 2010, and 100,000 by 2020.
- To establish STM Annual Lectures in the very near future and to invite internationally renowned scholars to come to Malaysia.
- To establish two academic chairs or professorship by the year 2008, and six by 2020.
- To establish two research centres in STM with one focus on “Mission and Ministry of the Church” and the other “Ethics and Contemporary Christianity.”
- To venture into innovative part-time training programmes for lay leadership development as well as future generation of progressive thinking pastors.

As God has called us to be His responsible stewards, we will continue to look to Him to guide us in this 21st century of globalisation and technology. By the grace of God and the support of all the “Friends” and “Partners” of STM, we seek to offer God our best. Amen.

The STM 21st Graduation Service

By Solomon Bulan

The STM 21st Graduation Service on 18 October 2003 was witnessed by a huge crowd of family members and friends. This year saw a total of 69 graduates receiving their scrolls from the President of the STM Council, the Rt Rev Julius D. Paul. The graduation address given by Bishop Dr Robert Solomon was on the theme, "Approval of God" from 2 Tim 2:14-16, which he called on all graduates to have the right motive, the right message, the right methods, be the right person and the right ministry done in kindness, gentleness and love. He reminded the graduates of the congregational expectations to preach reasonably well, to provide pastoral care and spiritual leadership. He reiterated that graduation is not the end but the beginning of ministry. Mr Joshua Khong on behalf of the graduates in his statement of dedication, offered thanks, appreciation and gratitude to the STM faculty members and administration staff for their mentoring, guidance and friendship. It was a day of joyous celebration and thanksgiving with family members, friends and church members. Above all, the graduates were thankful for the privilege to be called and commissioned into His glorious ministry.
马来西亚神学院第二十一届毕业典礼

在众亲戚朋友的见证下，马来西亚神学院第二十一届毕业典礼已成功于二零零三年十月十八日举行。今年共有六十位毕业生从院董主席Julius D. Paul 会督手中领取证书与文凭。Robert Solomon会督（博士）以“获神允准”为今年毕业训诲的主题。经文取自诗篇第章十四至十六节。他呼吁所有毕业生以正确的动机，信息和方法，并以仁慈，温柔和爱处事待人。他们也必须好好的传道，给予教会关怀及属灵领导。Robert Solomon会督也反复的讲到，毕业并不代表结束，而是事工的开始。

《子良弟兄和毕业奉献身圣职词》

而中，他也为著讲师们的教导及马来西亚神学院的全体行政人员的友谊而致谢。这天是充满喜乐

最重要的是，全体毕业生都为著上帝的召和差遣于他荣耀的事工而献上感恩。(Solomon Bulan摘写)

STM 21st Graduation Dinner

Toh Kee Hean

The STM 21st Graduation Dinner was successfully held on 17 October 2003. For a change, the dinner this year was a buffet served in the Sg Ujong Club, Seremban. Approximately 320 people attended the dinner.

It was indeed a great time of fellowship for friends and relatives of the STM community. The night featured Malaysian and international traditional dressing, worn by the Dinner Planning Committee, with two of our Sengoi students (Orang Asli) wearing their traditional costume as the highlight of the night. The video recording of "A Moment of Gratitude" by the graduates and the photo clips of STM Life were two new attempts that added colour to the night.

Overall, the dinner was carried out smoothly. The theme song "Hodu La'Adonai", which means ‘Give Thanks to the Lord’ in Hebrew, was presented by the graduates and brought the dinner to a close at 9.20pm.

Archives | Preserving Our Memories

Documentary records capture the memory or story of the Malaysian Church and are important links to our history and heritage. Remembering our past helps us to understand our present and to plan for the future. But memories are fragile and are in danger of disappearing forever. Thus, the STM Library hopes to guard against collective amnesia of past events, milestones and people by preserving the memories of the Church in Malaysia and this region.

What we have

Our archives collection comprises many items of historical interest. These include newsletters, synod and conference journals, photographs, dissertations and souvenir magazines. We also have a microfiche collection, which documents the history of mission work in Malaysia and the region.

What we hope to achieve

One objective of STM is to develop a centre for research on issues facing the Malaysian Church. Towards this objective, the Library archives aims to become a well-equipped resource centre on Malaysian Church history and have embarked on an acquisition project to build up our modest (and, in some areas, incomplete) collection.

How you can help

Over the years, many churches, organisations and individuals have donated towards the development of our collection and allowed us to be custodians of their stories and memories. You, too, can help preserve our Church's memories by donating archival materials, which could be in the form of photographs, newsletters, books, souvenir magazines, diaries, minutes, etc. - anything that tells the story of the Malaysian Church. Financial support is also welcome. Won't you help us ensure that the story of Christianity in Malaysia will continue to be remembered and recounted in generations to come?

Adopt A Periodical

The STM Library is seeking "foster parents" to help adopt our periodicals!

Why we need your help
The Library currently subscribes to approximately 150 journals and magazines to enable students and lecturers to stay abreast of the latest developments in scholarship in various fields.

In line with STM's vision of becoming a world-class premier seminary, we would like to improve our resources by subscribing to many other key journals, but our present financial constraints do not permit us to do so. Maintaining our current subscriptions also becomes more difficult as the cost of periodicals increases from year to year, sometimes by leaps and bounds.

What you can do
The Adopt A Periodical appeal asks for your help to invest in the development of the Library and the vision of STM. Subscriptions to periodicals can vary from as little as RM30.00 to as much as RM750.00 per year. By making a donation to the Adopt A Periodical appeal, you are playing a very important role in the training of men and women for ministry in this country and beyond.

You may donate towards a periodical subscription to mark a special occasion, in memory of a loved one, or simply out of a desire to support our ministry.

What we will do
The Library will use your contribution to subscribe to a periodical, either of your own choosing or ours, depending on the circumstances. When the subscription ends, we will give you an option of renewing the subscription, or to donate towards a different periodical.

What you will receive
Your name will be acknowledged in the periodical, either on its own or together with other donors, according to your contribution. There it will stay for posterity.

As a "foster parent" to a periodical, you will also have the opportunity to visit the STM Library and to "meet your periodical." You will also receive a letter acknowledging your contribution.

To adopt a periodical and for more information, please contact the STM Library by phone 06-632 2815 or email library@seminary-stm.com.my

*Please note that being a donor does not automatically qualify you for library membership. Membership application is subject to the standard terms and policies of the STM Library.

STM Alumni Homecoming Day

The STM Alumni Homecoming Day was held on 6 & 7 August 2003 at STM, with the theme "Key Principles of Life Management" with Rev Dr Tan Soo Inn from grace@work as our speaker this year. Rev Dr Tan shared about time management with emphasis on right relationship with God.

The annual alumni volleyball match between alumni and students was a close affair this time. This year's competition was special in that the principal, Rev Dr Ezra Kok, donated a challenge trophy for the competition. The students got to engrave their names on the trophy as the first winners. Although the alumni lost, they are sure to get back into shape for next year's rematch.

Everyone then proceeded to a sumptuous dinner at Win Heong Restaurant Seremban. It was a time of reunion, fellowship and laughter.

Warriors Come Home Ministry

Many warriors have lost their heart to fight. Some fought with the wrong weapon, some lost courage, vision and purpose. Some warriors have forgotten who they are as sons and daughters of God. They need restoration and healing in order to walk in wholeness once again.

The Warriors Come Home Ministry from the South Pacific Island, set foot at STM on 14 Aug 2003 (Thursday), sharing with us their ministry and vision. They praised and worshipped God with songs and cultural dances. God is calling back the warriors to the garden as it was before the fall of man, the place where He longs to heal, restore, fellowship and equip us with the right weapons. He wants to stir that fire once again to take our places in the kingdom and become effective spiritual warriors for His purposes. We marvelled at the hands of our awesome God that has moved the hearts of His people. The STM community were blessed and truly encouraged by their ministry.

马来西亚神学院校友回校日

二零零三年八月六至七日是马来西亚神学院一年一度的校友回校日。我们邀请了来自grace@work的Tan Soo Inn牧师为专题讲员，他与校友们分享有关全职事奉者对时间的管理，及与上帝建立一个正确关系。

校友与同学们举行了一场排球友谊赛。今年的球赛具有特别意义因为得蒙院长郭汉成牧师(博士)赠送一个挑战杯，而胜方将留名在杯上。虽然校友无法赢这场球赛，但肯定明年一定会练好身子，充分准备明年的球赛！随后，大家都到永香楼享用丰富的晚餐。这是个重要、团契及充满欢笑的时刻。

很多战士有如枯木死灰，丧失了战斗的勇气，异象与目标，更忘了他们是上帝的儿女。他们需要上帝的医治，以便从新得力，恢复战斗的意志。

二零零三年八月十四日，星期四，一群来自太平洋群岛的土著战士回归事工，莅临本院，与我们分享他们的事工与异象。他们以赞美诗及传统歌舞来赞美神。上帝要医治及装备我们，也要从新激起那火热的心，使我们能够成为遵行他旨意有能力的属灵战士。我们看见上帝在祂子民中所创造的奇迹，神学院群体及来宾们也因此得蒙祝福与鼓舞。
